DEFENDANTS

**ORDER**

Opposed recommendation, *No 109*, adopted as modified. FED. R. CIV. P. 72(b)(3). Defendants' motion to dismiss, *No 98*, is granted in part and denied in part. Moss has stated a plausible claim against Corizon. It remains in the case. Moss's claims against Courtney, Person, Davidson, Hallworth, and Bice are dismissed without prejudice. If, after discovery, Moss can allege specific facts showing personal involvement by any of these defendants in depriving him of medical care, then Moss may seek to amend his complaint.

So Ordered.
