**ORDER**

In June 2017, the Court approved the settlement and authorized distribution. *No 81 & 82*. The parties worked hard and made good progress delivering the proceeds to class members. *No 85*. In June 2018, the Court gave class counsel two more months to locate and pay two elusive individuals. *No 89*. Their share of the settlement is south of \$1,000. *No 92*. The parties now jointly report that class counsel is still looking for those two folks, *No 92*, while defendants report that all the settlement-related checks have been received and cashed, *No 91*. It's time to wrap this case up. By 10 October 2018, the parties must either

confirm a completed class distribution or propose a *cy pres* distribution.

No 89. The distribution period will not be extended again.

So Ordered.
