

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
EASTERN DIVISION

DAVID LIBRACE

PLAINTIFF

v.

No. 2:16-cv-7-DPM

SOCIAL SECURITY ADMINISTRATION,
Commissioner

DEFENDANT

ORDER

The Acting Commissioner's Federal Rule of Civil Procedure 60(a) opposed motion, No 32, to amend the Judgment is granted. The Court adopted Magistrate Judge Harris's recommendation without qualification; so the dismissal should have been on the merits with prejudice, as she suggested. The "without prejudice" specified in the Court's Judgment, No 31, was a mistake arising from oversight. An Amended Judgment will be entered.

So Ordered.
