## ORDER

The Court forgot to cover an issue in its post-hearing Order, No 53, and adds this further point. Plaintiffs have clarified and confirmed—in their papers, plus at the 22 January 2018 hearing—that they do not make any claim against the State Defendants about the alleged misallocation of tax revenue. Instead, counts three, four, five, and six in the amended complaint, No 23, run solely against Hempstead County, Arkansas.

So Ordered.
