**AGREED ORDER SETTING EXPERT DISCLOSURE DEADLINES AND EXTENDING
TIME TO ADD PARTIES AND/OR AMEND PLEADINGS**

The parties, by and through counsel, hereby respectfully move the Court to enter this Agreed Order setting the deadlines for disclosure of experts and extending the deadline for adding parties and/or amending the pleadings. This is the first time that the parties have requested the Court to extend any deadlines in this case. The extension is necessary because under the existing scheduling order, the deadline for the addition of parties and/or the amendment of pleadings is April 1, 2012. The defendant just received the plaintiffs' discovery responses, and needs additional time to issue subpoenas to several entities listed therein before deciding whether to add any additional parties to the case. Accordingly, the Court extends the time for the addition of parties and/or amendment of pleadings as set forth below, so that the defendants can obtain the necessary records prior to that deadline.

1. Plaintiffs shall disclose experts by May 15, 2012;
2. Defendants shall disclose experts by June 15, 2012;
3. The addition of parties or amendment of pleadings shall be completed by July 1, 2012.

SO ORDERED THIS 28th DAY OF March, 2012.
