ORDER

Goodman's unopposed motion to extend discovery and have a status conference, *No. 91*, is granted as modified. Phase 1 discovery is extended until 18 December 2015. *Joint report* on scheduling issues needing resolution due by 2 October 2015. We'll have a conference thereafter if need be. The Court regrets that the press of other business has prevented it from deciding the motions to dismiss. The Court hopes to rule on *No. 61* and *No. 69* by the end of

October. Meanwhile, briefing on class certification should continue. The parties should hold 6 June 2016 as a back up trial date.

So Ordered.
