ORDER

Unopposed motion, *No. 61*, granted as modified. The proposed new deadlines will jam up the other pretrial deadlines. The Court can't hold the existing trial date anyway—an older case must be tried then. The Final Scheduling Order, *No. 53*, is therefore suspended. The 6 September 2016 trial is cancelled. An Amended Final Scheduling Order will issue. It will adopt the parties' proposed deadlines, extend the other pretrial deadlines accordingly, and set a new trial date.

So Ordered.
