To All Counsel of Record:

We recently received notice that a part of this litigation has been settled. Several motions are pending. That settlement raises the issue of which pending motions, if any, are moot and which need a decision from the Court. Please confer and file a stipulation of dismissal as to any motions that are moot. If you could do that by the end of the week, it would assist us in directing our attention to the motions that need a decision.

Respectfully yours,

Leon Holmes
