**DEFENDANTS**

**AMENDED ORDER**

1. The Court made a mistake in its Order filed yesterday, *No. 32*. The date is wrong — 2016 instead of 2017. The Court files this Amended Order to correct its error.

2. Joint report, *No. 31*, noted and appreciated. The stay, *No. 16*, is lifted. Informed by everything of record, including establishment of the guardianship and approval of the settlement by the Circuit Court of Crittenden County (probate division), this Court gives its final approval to this deal. The resolution is fair, reasonable, and in the child's best interest. Particularly important is the Circuit Court's retention of jurisdiction over the

trust and the guardianship. This Court will dismiss this case with prejudice unless a party seeks some other relief before 26 April 2017.

So Ordered.
