DEFENDANTS

ORDER

Unopposed recommendation, *No 7*, adopted as modified. FED. R. CIV. P. 72(b) (1983 addition to advisory committee notes). Brooks's claims against Cox, Muse, and the Doe defendants are dismissed without prejudice for failure to state a claim. And his claim against the Poinsett County Detention Center is dismissed with prejudice.

The modification: Liberally construing Brooks's complaint, he's stated a deliberate indifference claim against Captain Hicks — even though he failed to list her in the appropriate section of the § 1983 complaint form. That claim therefore survives screening too.

So Ordered.
