

**IN THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
NORTHERN DIVISION**

**TERESA WILSON et al.**

**PLAINTIFFS**

**v.**

**No. 3:21-cv-82-DPM**

**WALMART INC. and  
DOES, 1-10, inclusive**

**DEFENDANTS**

**ORDER**

1. Joint status report, *Doc. 83*, appreciated. The updates on the potential global settlement in the California proceedings are helpful. And the Court notes Walmart's intent to file a motion to transfer the California cases to this district in the event the parties' second mediation is unsuccessful. Joint report on mediation and global settlement progress due by 6 February 2023.

2. The parties' suggestion to postpone any hearing in this case until after the parties' 31 January 2023 mediation is well-taken. The Court therefore requests counsel to confer and file a joint report indicating which of these dates is most convenient for an in-person, omnibus hearing: 10 February 2023 at 1:30 p.m. in Jonesboro, or 24 February 2023 at 9:00 a.m. in Little Rock. The agenda for this hearing remains unchanged. The Court will hear argument on the pending motion to dismiss and we will discuss a case plan for any surviving claims. Counsel should still plan on a half day. Joint report on the hearing date due by 9 December 2022.

So Ordered.
