Re: Monitoring Fees for September 2014

Dear Judge Marshall:

Per your order of June 20, 2014, I am submitting my request for reimbursement for monitoring activities related to the PCSSD's implementation of the areas in Plan 2000 that remain under Court Supervision. My fees for September 2014 total \$3800.00. All activities fall under Section H- Facilities. Fees do not include travel time or breaks.

September 2, 2014 - Visited Baker Elementary - 1 hour (\$300.00)

September 8, 2014 - Visited Jacksonville Middle, North Pulaski High, and Harris Elementary - 4 hours (\$1200)

September 16, 2014 - Visited Maumelle Middle and Maumelle High School - 3 hours (\$900)

September 17, 2014 - Visited Joe T. Robinson Elementary - 1 hour (\$300.00)

*September 22 - Prepared facilities monitoring reports for eleven schools (4 included in August statement) - 11 hours+ - (\$1200.00)

Activities planned for August:

- October 22, 2014 - Meeting with PCSSD, Joshua, and ADE - Discipline

There may be other monitoring related activities that have not been anticipated, depending on district operations. Please let me know if you have any questions or concerns.

Sincerely,

Margie L. Powell
Court Monitor

*Please note that I did not charge my regular hourly rate for the facilities monitoring report. Even though the report was time consuming and labor intensive, I did not want to charge the district the full rate for a report that was not being submitted to the Court. In addition, although I hand-delivered the central office copies, I did not charge the district for my time.
