Re: My letter of December 28, 2015 (JNPSD Facilities Master Plan) - Correction

Your Honor:

In my letter to you referenced above, I entered incorrect information with respect to Arnold Drive Elementary's black enrollment for the 2013-14 school year. In my haste to get the report to you, I entered the figure for Adkins Elementary (which was directly above Arnold Drive on the enrollment chart). The correct figure for Arnold Drive should read 22% black, instead of 50% black for the 2013-14 school year.

In Joshua's response to the JNPSD Facilities Master Plan, (Doc. 5183), Mr. Walker quoted Arnold Drive's black enrollment at 23.8% for the current school year. That figure represents a slight increase in black enrollment from the previous year.

I sincerely apologize for the error. Nevertheless, my findings and conclusions remain the same.

Sincerely,

A handwritten signature in cursive script that reads "Margie L. Powell".
