ORDER

The Court appreciates counsel's letter about the construction at Sylvan Hills High School. No 5452. In the circumstances, it's better to avoid taking the group through an active construction site. If possible, we can observe the site from the perimeter. Photos of the construction area might also be helpful. And if informative drawings or other plans are available, the Court would appreciate PCSSD's providing those to opposing counsel and the Court before the tour, too. They should be filed under seal.

So Ordered.
