**ORDER**

Terra International, Inc., has filed a motion to revive the judgment against Tommy F. Robinson, Jeffrey W. Robinson, and Greg T. Robinson, individually and as partners of Ag Pro Farm Partnership. The Robinsons have filed a motion to dismiss with prejudice, noting that the writ of scire facias have been abolished and arguing that the judgment expired before the order was signed. In response, Terra International points out that the rules provide that execution of a judgment in accord with the procedure of the state where the court is located, which includes the practice relating to revival of dormant judgments. Terra International also notes that the motion was filed before the judgment expired.

The motion to revive the judgment is GRANTED. Document #52. The motion to dismiss with prejudice is DENIED. Document #58. The judgment entered in this action in favor of Terra International, Inc., against Tommy F. Robinson, Jeffrey W. Robinson, and Greg T. Robinson, individually and as partners of Ag Pro Farm Partnership, is revived and the lien thereof extended for a period of ten years.

IT IS SO ORDERED this 10th day of February, 2014.
