Re: *In re Prempro*, 4:03-CV-001507-BRW
Defendants' Motion for Revision of Schedule Re: *Daubert* Challenge Concerning
Short-Term Use and Lobular Cancer

Dear Mr. Heard:

The following appears in my September 7, 2011 Order:

Please note well the schedule set forth above because I am going to be disinclined to grant extensions. In other words, don't count on extensions even though I have granted them in the past without much fuss. You are hereby advised in the premises.¹

Please explain why the requested extension is necessary. Do not be optimistic.

Cordially,

/s/ Billy Roy Wilson
