ORDER

The Common Benefit Fee Committee’s (“CBFC”) Unanimous Motion for Percentage Allocation of Common Benefit Fund and for Second Disbursement of Funds (Doc. No. 3287) is GRANTED to the extent set out below.

This is the second order for distribution of funds from MDL 1507 Fee and Cost Trust Account (“Common Benefit Fund”). The first order directed the distribution of funds to reimburse the attorneys providing work for the common good of all plaintiffs (“Common Benefit Work”) for the capital contributions they made and expenses they incurred in performing such work (*i.e.*, their out of pocket costs).¹ This order distributes most of the remaining Common Benefit Fund to the attorneys as fees for their Common Benefit Work, reserving only a “Holdback Fund,” as described below.

The CBFC’s purpose was to assess and make recommendations regarding disbursement of the Common Benefit Fund. As the MDL proceedings began to wind down, the CBFC invited all participating attorneys to apply for compensation for any Common Benefit Work they performed. The CBFC scrutinized the applications and made preliminary recommendations. All firms were invited to accept or object to these recommendations. The Honorable James M. Rosenbaum was appointed as Special Master to assist in resolving any disputes among MDL
