

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF ARKANSAS
WESTERN DIVISION**

IN RE: : **MDL DOCKET NO. 4:03-CV-1507-WRW**
PREMPRO PRODUCTS LIABILITY :
LITIGATION : **ALL CASES in EXHIBIT A**

ORDER

Exhibit A lists cases designated to proceed with case-specific discovery under Practice and Procedure Order 9. Specifically, the parties may take case-specific discovery depositions of the plaintiff(s), spouse(s), treating physician(s),¹ and sales representative(s).²

In each case listed in Exhibit A, Plaintiffs are directed to provide Defendants with updated medical authorization³ within three weeks of the date of this order. Failure to do so may result in dismissal for failure to prosecute.

As was mentioned in the March 19, 2010, Order,⁴ cases designated under PPO-9 are no longer limited to cases with Wyeth and Pfizer as the only defendants and claims for only breast cancer injuries. Additionally, I expect all parties to cooperate in expeditiously scheduling and taking these PPO-9 depositions. It seems to me that, generally, the PPO-9 discovery should be completed within six months of the date of this Order. However, when scheduling the depositions, the parties should be careful not to load one firm's wagon with more poles than a mule can pull, *i.e.*, I expect all parties to be reasonable in this regard.

IT IS SO ORDERED this 5th day of November, 2010.

/s/ Wm. R. Wilson, Jr.
UNITED STATE DISTRICT COURT

¹This applies to treating physicians who are identified as trial witnesses by any party under the transferor court procedures. Treating physicians include prescribers.

²With regard to depositions of sales representatives or district sales managers, Plaintiffs may take only one general deposition of each such person.

³The Medical Authorization Form can be found at Doc. No. 2007-3 in *In re Prempro*, 4:03-CV-001507.
