Notice!

The UALR Network is available to further the research, education, service and administrative functions of UALR. Use of the UALR Network may be monitored to detect improper use or other illicit activity. Users of the UALR Network should have no expectation of privacy. However, specific data that is transmitted on the UALR Network may be protected under federal or state laws or by agreements with granting agencies.

For example, confidentiality of student records is protected by FERPA.

Additionally, client, patient, or other confidential data protected by law will be maintained in confidence to the extent required by law.

-----, Please contact the Computing Services Help Desk at 569-8720 if you have any questions regarding this matter.
