ORDER

Seth Creed—support personnel for the Defendants—may bring his laptop computer and cell phone—including a smart phone—into the courthouse. The phone may be used as needed outside of any courtroom. When inside the courtroom, the cell phone must be turned off. Putting the cell phone on “vibrate” or “silent” is unacceptable. No phone or computer may be used to take photographs or video in the courthouse. And when talking on a phone (or with someone in person) in a corridor, all courthouse visitors should be as quiet as possible. Visitors should also be as quiet as possible when working with their laptop computers.

So Ordered.
