Re: *Larry Griffis, et al. v. Anadarko E&P Company LP, et al.* --  
4:08-CV-01974-WRW

Dear Counsel:

You contend that the 1936 deed did not include oil and gas, but the deed does refer to drilling and pipelines. What could this contemplate other than removing oil and gas from beneath the surface?

Please give me a one or two page letter brief on this point by Wednesday, August 12, 2009.

Cordially,

/s/ Wm. R. Wilson, Jr.
