ORDER

The Court has carefully reviewed the Proposed Findings and Recommended Partial Disposition from Magistrate Judge J. Thomas Ray. Womack has not filed any objections. The Court sees no legal error and no clear error of fact on the face of this record as a whole. FED. R. CIV. P. 72(b) (advisory committee notes to 1983 addition). The Court therefore adopts Magistrate Judge Ray's proposed findings and partial recommended disposition, *Document No. 7*, as its own. Womack may proceed with his excessive-force claim against Defendant Bell. 28 U.S.C.A. § 1915A (West 2006). The Clerk is directed to prepare a summons for Defendant Bell. The U.S. Marshal is directed to serve the summons, complaint, amended

complaint, and this Order upon Bell without prepayment of fees and costs or security therefor.* All other claims and Defendants are dismissed without prejudice. The Court certifies that an *in forma pauperis* appeal from this Order would not be taken in good faith. 28 U.S.C.A. § 1915(a)(3) (West 2006).

So Ordered.

United States District Judge
