ORDER

By Order entered September 13, 2011 [doc.#17], the Court, at the request of the parties, vacated the Final Scheduling Order on grounds that the parties stated that they “anticipate that this matter will settle in the very near future.” There has been no communication with the Court since then. The Court directs that within twenty-one (21) days of the date of entry of this Order, the parties file, either jointly or separately, a report advising the Court of the status of this action and whether an Amended Scheduling Order needs to be issued.

IT IS SO ORDERED this 12th day of January 2012.
