DEFENDANTS

ORDER

The Clerk has informed the Court that instead of \$207,000.00, Metropolitan Life actually deposited \$213,218.51. *See attached.* In addition, the Clerk advises that \$46.73 in interest has accrued since the deposit. The Court assumes that the parties' two-thirds/one-third settlement agreement embraces the additional amount of principal, but asks the parties to confirm this understanding with a court paper at their earliest convenience.

The Court also notes that two motions mooted by its December 16th Order are still pending. The Court directs the Clerk to terminate these two motions, *Document Nos. 27 & 29.*

So Ordered.
