UNITED STATES DISTRICT JUDGE

---

<sup>1</sup>Before the March 23, 2011 hearing on Plaintiff's motion for a preliminary injunction, Separate Defendant All-American Care Centers, Inc. ("All-American") moved to quash Plaintiff's subpoena seeking production of medical records. In a status report dated April 27, 2011, All-American reported that the parties were attempting to agree on the terms of a protective order. The Court is without information regarding the status of the discovery dispute, and it appears that the matter is moot. The Court therefore denies the motion to quash without prejudice.
