No. 4:11CV000340 SWW

**Order**

Before the Court are plaintiff’s motions to quash the depositions of Randy Pazzaglia and Dr. Stephanos Kales and defendant’s motion to compel or, in the alternative, to amend the scheduling order. For the reasons stated during the status conference held on October 5, 2012, the Court grants the motions to quash and denies defendants’ motion to compel. The Court will, however, amend the scheduling order.

The parties are to notify the Court of the agreed dates for the depositions of plaintiff’s experts. The Court then will issue an amended scheduling order, setting forth new deadlines for defendants’ expert disclosure, plaintiff’s rebuttal expert disclosure, and *Daubert*/dispositive motions.<sup>1</sup>

The next status conference is Friday, October 12, 2012, at 3:30 p.m.

---

<sup>1</sup>The Court notes the scheduling order filed on August 21, 2012, contains no agreed date by which defendants will provide all discovery responses and documents. The Court will address this issue with the parties during the next status conference.

IT IS THEREFORE ORDERED that plaintiff's motions to quash [docket entries 137 & 139] are granted. Defendants' motion to compel is denied; their alternative request to amend the scheduling order [docket entry 141] is granted.

DATED this 12<sup>th</sup> day of October, 2012.
