Re: *Peggy Ginardi, et al. v. Frontier Gas Services, LLC., et al.*-- 4:11-CV-00420-BRW

Dear Counsel:

After studying your papers, hearing oral argument (which I again note were uniformly excellent), and studying the matter since Tuesday, I am much inclined to deny class certification; so I recommend belaying discovery until I can complete a written order.

It is possible that I will change my mind regarding class certification, but quite unlikely.

I am sending this letter in an attempt to avoid the effusion of money on discovery.

If any lawyer feels that he or she needs further illumination regarding the above, please advise (this does not include additional briefing).

Cordially,

/s/ Billy Roy Wilson
