Case No. 4:11-cv-520-DPM

SECURITAS SECURITY SERVICES

DEFENDANTS

ORDER

Plaintiffs' motion for a temporary restraining order and a preliminary injunction, *Document No. 2*, is denied without prejudice. Lack of verification alone bars the TRO. FED. R. CIV. P. 65(b)(1)(A). Further, the Court is not convinced that a request for an interview – one coupled with a promise of no retaliation and one that can be refused – justifies injunctive relief. The Court

suggests that the case would benefit from some prompt cooperation between counsel.

So Ordered.
