EASTERN DISTRICT OF ARKANSAS
LITTLE ROCK DIVISION**

ELLEN ROBINSON

PLAINTIFF

v.

Case No. 4:11-cv-0768 KGB

AMERICAN RED CROSS

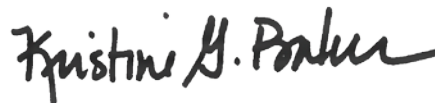

DEFENDANT

ORDER

Plaintiff's counsel submitted to the Court by fax a request for an enlargement of time to respond to defendant's motion for summary judgment. That request is attached hereto. In the request, plaintiff's counsel recites that, although she is enrolled in the electronic filing system, she is having trouble accessing the system and presumably difficulty in filing a motion. She recites that she has attempted to contact counsel for defendant about this request for an enlargement of time but has not received a response.

For good cause shown, plaintiff's motion is granted. Plaintiff is given a one-week extension of time to Thursday, May 9, 2013, to respond to defendant's motion for summary judgment.

SO ORDERED this 2nd day of May, 2013.

UNITED STATES DISTRICT JUDGE

No. 4:11-cv-768-SWW

MOTION FOR ENLARGEMENT OF TIME TO
RESPOND TO SUMMARY JUDGMENT MOTION
AND DEFENDANT’S UNDISPUTED FACTS

Plaintiff states the following for her motion:

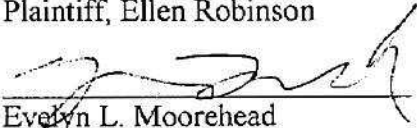

1. Defendant filed its motion for summary judgment, Undisputed Facts and Brief in Support of Summary Judgment on April 18, 2013.
2. Plaintiff counsel enrolled in the electronic filing system, and Pacer in February, 2013 and received notices of the above filing. However, counsel is experiencing difficulty with the system. In particular, she has been unable to log in, or to download any open files.
3. Counsel was able to open defendant’s brief and Statement of Undisputed Facts. We noticed several references to Plaintiff’s deposition. Plaintiff has not had an opportunity to review her deposition, and so has not signed it. We had not received the deposition until April 22, 2013. Several of these “Undisputed Facts” are disputed.
4. Counsel has attempted to reach Attorney Nicolas Moraites for his consent to this motion to no avail. Counsel also left a messages for Mr. Larroca and Mr. Harrington. So far no one has returned the calls.
5. This extension will not impose harm on any party we believe.

WHEREFORE, plaintiff prays for an enlargement of time to respond to the pending pleadings and submissions from defendant.

Respectfully submitted,

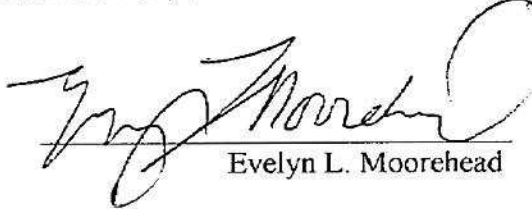

Plaintiff, Ellen Robinson
