DEFENDANTS

ORDER

The Court appreciates the Plaintiffs' notice about Crow's unaccepted offer of judgment. *No* 193. For the reasons previously explained, *No* 187 at 2-4, the Court concludes that it lacks subject matter jurisdiction over Crow's claims, except to enter judgment and resolve any dispute about a reasonable attorney's fee and costs. The Court will enter judgment for \$313.76 of damages in due course. Crow-related fees and costs should be addressed in the stipulation or motion due by 31 March 2014.

So Ordered.
