ORDER

The Court has received the Judgment and Mandate from the Court of Appeals. *No 179 & 180*. The Court would appreciate, and benefit from, the parties' suggestions on a schedule for handling the case. What needs to be done before we have a trial? Please confer and, if there is a mutually acceptable plan, file a joint report explaining it by 28 June 2017. If there is disagreement, file separate status reports by that date. The Court will hold a status conference, if need be, thereafter.
