ORDER

The Court has received findings and a recommendation from Magistrate Judge H. David Young. After a careful review of the findings and recommendation, the timely objections received thereto, and a de novo review of the record, the Court concludes that the findings and recommendation should be, and hereby are, approved and adopted in their entirety as this Court's findings in all respects. The motions to amend and for joinder filed by plaintiff Matthew W. Barnett ("Barnett") are granted. See Document 41, 48. Defendants Americom Bank ("Americom") and Direct Express Payment Processing Services ("Direct Express") are dismissed without prejudice from this case. Comerica, Inc., is added as the lone defendant. In addition, Barnett's motions for default judgment against Americom and Direct Express, to amend his motion for default judgment, for the entry of a clerk's default, and for preliminary injunction are denied. See Document 27, 30, 35, 54.

IT IS SO ORDERED this 25th day of October 2013.
