ORDER

Joint status report, *No 95*, noted and appreciated. The Court approves the schedule in principle, but would prefer date-certain deadlines. We'll do it in stages. Here are the initial due dates.

- Amended complaint 12 August 2016
- Corps's administrative record 16 September 2016
- Any motion to supplement 7 October 2016

The Court will set the suggested briefing schedule, and oral argument, on dates certain after the record is settled.

So Ordered.
