DEFENDANT

ORDER

For the reasons stated on the record at the 19 February motions hearing, the Court denies the motion for sanctions, *No. 38*, and the motion to strike expert witnesses, *No. 39*. The joint report, *No. 37*, was addressed too.

The Court amends the Final Scheduling Order and sets the following deadlines:

- By 26 February 2016 Underwriters must provide any other non-privileged Gray material about the insurance claim, including internal email.
- By 29 February 2016 Hudson must allow Underwriters to inspect the marina.
- By 4 March 2016 Hudson must decide if it will hire an expert, and notify Underwriters.
- By 31 March 2016 Hudson must provide any expert report.

If Hudson hires an expert, Underwriters may depose that person outside the discovery period. The Final Scheduling Order, No 26, otherwise remains in effect.

So Ordered.
