DEFENDANT

ORDER

After reviewing the summary judgment papers, the Court sees only questions of law; it doesn't look like we need a trial. The Final Scheduling Order, *No 26*, is therefore suspended and the 6 June 2016 trial is canceled. An Amended Final Scheduling Order will issue if the Court's view changes after a deeper look into the papers. The Court defers ruling on the parties' discovery dispute, *No 55*. If we need a trial, the Court will address the helpful joint report.

So Ordered.
