

IN THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
WESTERN DIVISION

LAKESHA DOE, Parent, *et al.*

PLAINTIFFS

v.

No. 4:15-cv-623-DPM

JOHNNY KEY, In His Official Capacity  
as Commissioner of Education and the  
LRSD School Board, and MICHAEL  
POORE, In His Official Capacity as  
Superintendent of the Little Rock  
School District

DEFENDANTS

ORDER

1. Joint report of discovery dispute, *No* 121, noted and overruled without prejudice. First, Defendants have committed to another production today. Second, Plaintiffs have not followed the Court's Scheduling Order: this kind of dispute must be brought to the Court by both sides in one truly joint report. *No* 111 at 2-3. The required procedure eliminates the back and forth, giving the Court both sides of the dispute in one paper.

2. Joint motion, *No* 122, granted with caveats. First, no further discovery extensions will be granted. Second, the Court will issue a Third Amended Final Scheduling Order with the proposed deadlines; but it will also contain a compressed briefing schedule for any dispositive motion. And that schedule will not be extended.

So Ordered.
