Re: *Doe, et al. v. Poore,*  
No. 4:15-cv-623-DPM

Colleagues,

I'm enclosing a copy of a letter I got this week and my response. Mrs. Appleton and my deceased Mother were close friends. I don't know for sure, but my educated guess is that Mrs. Appleton is in her nineties. I do not see her often anymore. I am disregarding what was said about the case. Please

let me know if you wish to respond or believe I need to take any step beyond my response. *Code of Judicial Conduct for United States Judges, Canon 3(A)(4).*

Best regards.

Very truly yours,

Dear Price,

While reading the Gazette several weeks ago I read your decision about the Little Rock School Board suit. I immediately E mailed my dear friend Vickie Saviers, told her you were a Jonesboro "boy" I had know for a long time. Her answer to me was, " AMEN I wish I could thank him myself!!!!. Next time you see him give him a hug for me!!." I won't be seeing you but I do hope this letter will find you. My regards to your family.

Sincerely,

Marystel

Dear Marystel,

I did receive your October 17th letter. It was good to hear from you. I hope you're doing well. Polly is fine, as are our girls, who've grown up and gone off to school.

You're kind to be keeping up with my court work through the newspaper. And I appreciate your thoughtfulness in writing to me. I can't discuss my cases, though, or get any information about them outside the courthouse. I must put your e-mail exchange with Ms. Saviers out of my mind so I can stay impartial in the case. I thank you for your understanding in all this.

I hope to see you around Jonesboro soon. My best personal regards.

Very truly yours,

*Pice*
