

**IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
WESTERN DIVISION**

VERONICA DELPH

PLAINTIFF

v.

No. 4:17-cv-542-DPM

**UNIVERSITY OF ARKANSAS FOR
MEDICAL SCIENCES AND MELVIN
KIRKWOOD, Assistant Manager, UAMS**

DEFENDANTS

ORDER

1. Delph's motion to proceed *in forma pauperis*, No 1, is granted.

She has little income, several debts, and few assets.

2. The Court must screen Delph's complaint. 28 U.S.C. § 1915(e)(2). She alleges discrimination during her work as a cashier at UAMS and in her firing. She makes claims under many federal anti-discrimination statutes and under state law.

The Court needs more information. Delph must provide details—specific facts—about how UAMS and her supervisor allegedly discriminated against her. She must provide facts for each claim. A

conclusion that discrimination occurred isn't enough to keep a claim alive.

3. Amended complaint with particulars due by 29 September 2017. To complete the record, Delph must also attach a copy of her EEOC charge No. 493-2017-01107 to her amended complaint. If Delph does not amend and give specifics, the Court will dismiss her complaint without prejudice as conclusory.

So Ordered.
