ORDER

On *de novo* review, the Court adopts Magistrate Judge Ray's partial recommendation, *Doc. 11*, and overrules Session's objections, *Doc. 12*. If Session wants to plead more facts about Williams's role, then he must get permission to amend his complaint. But he can't amend his complaint by way of his objections. Session's claims against Briggs, Paxton, and Hobbs go forward. His claims against Williams are dismissed without prejudice.

So Ordered.
