ORDER

Timely second amended complaint, *Doc. 46*, noted. (The Court also appreciates the redlined copy emailed to chambers and opposing counsel.) The motion to dismiss, *Doc. 29*, is denied without prejudice as moot. The Court anticipates a prompt renewed motion. If so, there's no need to start the briefing from scratch. The Court is deep in the current papers. And the Court will consider all parties' original briefing on any renewed motion. So please only cover new ground in the new briefing.

So Ordered.
