¹Plaintiffs had been granted an extension of time up to and including October 22, 2010 in which to file their responses. Plaintiffs argue that they attempted to file an additional motion for extension of time seeking an extension up to and including October 29, 2010 in which to respond. For reasons unknown, the motion was not successfully filed. Plaintiffs current motion was filed upon learning that the October 22, 2010 motion had not been successfully filed.
