PROPOSED FINDINGS AND RECOMMENDATIONS

INSTRUCTIONS

The following recommended disposition has been sent to United States District Judge J. Leon Holmes. Any party may serve and file written objections to this recommendation. Objections should be specific and should include the factual or legal basis for the objection. If the objection is to a factual finding, specifically identify that finding and the evidence that supports your objection. An original and one copy of your objections must be received in the office of the United States District Court Clerk no later than eleven (11) days from the date of the findings and recommendations. The copy will be furnished to the opposing party. Failure to file timely objections may result in waiver of the right to appeal questions of fact.

If you are objecting to the recommendation and also desire to submit new, different, or additional evidence, and to have a hearing for this purpose before the District Judge, you must, at the same time that you file your written objections, include the following:

1. Why the record made before the Magistrate Judge is inadequate.
2. Why the evidence proffered at the hearing before the District Judge (if such a hearing is granted) was not offered at the hearing before the Magistrate Judge.

3. The detail of any testimony desired to be introduced at the hearing before the District Judge in the form of an offer of proof, and a copy, or the original, of any documentary or other non-testimonial evidence desired to be introduced at the hearing before the District Judge.

From this submission, the District Judge will determine the necessity for an additional evidentiary hearing, either before the Magistrate Judge or before the District Judge.

Mail your objections and “Statement of Necessity” to:

DISPOSITION

Plaintiff filed this complaint, pursuant to 42 U.S.C. § 1983, on April 9, 2009. On April 17, 2009, the undersigned entered an order noting that Plaintiff’s complaint contained numerous unrelated claims that arose over several years and allegedly occurred at multiple facilities. Accordingly, Plaintiff was ordered to submit an amended complaint setting forth the distinct claim he wished to pursue in this complaint (docket entry #3). Plaintiff was warned that his failure to submit the amended complaint within 30 days would result in the recommended dismissal of his complaint. More than 30 days has passed, and Plaintiff has not filed an amended complaint, or otherwise responded to the order. Under these circumstances, the Court concludes that Plaintiff’s complaint should be dismissed without prejudice for failure to comply with Local Rule 5.5(c)(2), and for failure to respond to the Court’s order. *See Miller v. Benson*, 51 F.3d 166, 168 (8th Cir. 1995) (District courts have inherent power to dismiss *sua sponte* a case for failure to prosecute, and exercise of that power is reviewed for abuse of discretion).

IT IS THEREFORE RECOMMENDED THAT:

1. Plaintiff's complaint be DISMISSED WITHOUT PREJUDICE for failure to comply with Local Rule 5.5(c)(2), and for failure to respond to the Court's order.

2. The Court certify that an *in forma pauperis* appeal taken from the order and judgment dismissing this action is considered frivolous and not in good faith.

DATED this 22 day of May, 2009.

UNITED STATES MAGISTRATE JUDGE
