**PROPOSED FINDINGS AND RECOMMENDED DISPOSITION**

**INSTRUCTIONS**

The following recommended disposition has been sent to United States District Judge James M. Moody. Any party may serve and file written objections to this recommendation. Objections should be specific and should include the factual or legal basis for the objection. If the objection is to a factual finding, specifically identify that finding and the evidence that supports your objection. An original and one copy of your objections must be received in the office of the United States District Court Clerk within fourteen (14) days after being served with the findings and recommendations. The copy will be furnished to the opposing party. Failure to file timely objections may result in waiver of the right to appeal questions of fact.

If you are objecting to the recommendation and also desire to submit new, different, or additional evidence, and to have a hearing for this purpose before the District Judge, you must, at the same time that you file your written objections, include a "Statement of Necessity" that sets forth the following:

1. Why the record made before the Magistrate Judge is inadequate.

2. Why the evidence to be proffered at the requested hearing before the District Judge was not offered at a hearing before the Magistrate Judge.
3. An offer of proof stating the details of any testimony or other evidence (including copies of any documents) desired to be introduced at the requested hearing before the District Judge.

From this submission, the District Judge will determine the necessity for an additional evidentiary hearing, either before the Magistrate Judge or before the District Judge.

Mail your objections and "Statement of Necessity" to:

#### **RECOMMENDED DISPOSITION**

George E. French, an Arkansas Department of Correction inmate, brings this 28 U.S.C. § 2254 petition for writ of habeas corpus challenging a prison disciplinary. On December 3, 2009, he filed a motion to dismiss the petition without prejudice because he has "a more important obligation to address in the Courts that need[s] [his] attention" (doc. 8). The motion, which is unopposed, should be **granted**, dismissing this action in its entirety without prejudice.

DATED this 28th day of December, 2009.

  
UNITED STATES MAGISTRATE JUDGE
