**ORDER**

Pending is Plaintiff's motion to compel. (Docket #58). Plaintiff seeks insurance information from Defendants McGehee-Desha County Hospital, Ashley Barnes, Miranda Taylor, Wade Cantrell and Obama Asemota, M.D. Plaintiff argues that he is entitled to copies of the actual insurance policies and that the Declaration Pages and Specimen Policies produced by the parties are insufficient. Fed. R. Civ. P. 26(a)(1)(A)(iv) requires parties provide:

for inspection and copying as under Rule 34, any insurance agreement under which an insurance business may be liable to satisfy all or part of a possible judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment.

Pursuant to Rule 26, Plaintiff is entitled to inspect and copy "any insurance agreement under which an insurance business may be liable to satisfy all or part of a possible judgment. . . ." If the Declaration Pages and Specimen Policies produced accurately reflect the exact agreement, the

production is sufficient. Otherwise, Defendants are directed to produce the actual insurance agreement.

Accordingly, Plaintiff's motion is GRANTED.

IT IS SO ORDERED this 13<sup>th</sup> day of October, 2010.

  
James M. Moody  
United States District Judge
