ORDER

The Court has considered Magistrate Judge Beth Deere's Partial Recommended Disposition in this prison-condition case and conducted a careful review of the record. Brown filed no objections. The Court sees no legal error and no clear error of fact on the face of this record as a whole. FED. R. CIV. P. 72(b) (advisory committee notes to 1983 addition). The Court therefore adopts Judge Deere's Partial Recommended Disposition as its own. FED R. CIV. P. 72(b).

Brown's claims against the Arkansas Department of Correction, the Arkansas Department of Community Correction, the Arkansas Board of Pardons and Parole, and John Felts are dismissed with prejudice. Brown's claims against Villines and Williams are dismissed without prejudice. To the extent his complaint (as supplemented) alleges a race-discrimination claim and a breach-of-confidentiality claim, those claims are also dismissed without prejudice.

So Ordered.
