

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
PINE BLUFF DIVISION

ANDRE WASHINGTON
ADC # 108623

PETITIONER

v.

No. 5:11-cv-304-DPM

RAY HOBBS, Director, Arkansas
Department of Correction

RESPONDENT

ORDER

Magistrate Judge Deere entered her recommended disposition in this case on 4 April 2012. *Document No. 8*. Washington moved to extend his time to object, *Document No. 10*, and then filed his objections in early May 2012. *Document No. 11*. The Court grants Washington's motion, *Document No. 10*, and has considered Washington's objections in its *de novo* review. FED. R. CIV. P. 72(b)(3).

Looking at the entire record, the Court finds that Judge Deere's recommended disposition is legally and factually sound. The Court therefore adopts the recommended disposition in its entirety, *Document No. 8*, and dismisses Washington's petition with prejudice. *Document No. 2*. The Court declines to issue a certificate of appealability; Washington has not made a

substantial showing that his constitutional rights have been denied. 28 U.S.C. § 2253(c).

Motion to extend time to object, *Document No. 10*, granted. Recommended disposition, *Document No. 8*, adopted. Petition, *Document No. 2*, dismissed with prejudice. Certificate of appealability denied.

So Ordered.

D.P. Marshall Jr.
United States District Judge

14 May 2012
