RESPONDENT

ORDER

Pryor-Kendrick has submitted the attached papers to the Court. She appears to believe that the Court has requested different versions of documents she submitted earlier in the case. Pryor-Kendrick's case is currently on appeal and no further filings with the District Court are in order at this time. The Clerk should return these (and any papers submitted by Pryor-Kendrick) until her appeal is resolved. This case is, for the time being, done in this Court.

So Ordered.
