**Case No. 5:13-CV-00196 BSM-JTK**

**ORDER**

Respondent's recent motion for extension of time to file a response (Doc. No. 9) indicated that he had requested the record of Petitioner's previous federal habeas corpus proceeding from the Eastern District of Arkansas. The Court has been informed that these materials can be obtained from its own clerk's office, and it is now passing this information along to the parties. Given the Court's possession of these documents, it is unclear whether the National Archives and Records Administration can provide them as well.

SO ORDERED this 1<sup>st</sup> day of August, 2013.
