DEFENDANTS

ORDER

The Court has reconsidered its discovery rulings, *No 35*, and makes the following changes. Defendants must produce the ISP-data printouts/time change reports, which they acknowledge having and agree that Plaintiffs are entitled to. When it ordered Defendants to continue accommodating Plaintiffs' format requests, the Court was under the impression that Defendants had already produced time and payroll records in Excel format. *See No 34 at 4.* It appears that the time records, though not the payroll records, were produced in Excel. Defendants must produce the payroll records in Excel or other electronically searchable format. The Court's order regarding the daily activity reports stands.

So Ordered.
