

IN THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
PINE BLUFF DIVISION

JESSIE RADFORD  
ADC #655432

PLAINTIFF

v.

No. 5:18-cv-83-DPM-JTK

DARYL GOLDEN, Warden,  
Delta Regional Unit, ADC

DEFENDANT

ORDER

After Magistrate Judge Kearney submitted his recommendation, the Court received more papers from Radford related to his motion. *No* 42-44. The Court has considered those papers in reviewing the recommendation. On *de novo* review, the Court adopts the partial recommendation, *No* 41, and overrules Radford's objections, *No* 45. FED. R. CIV. P. 72(b)(3). Courts must view prisoners' requests for injunctive relief "with great caution because judicial restraint is especially called for in dealing with the complex and intractable problems of prison administration." *Goff v. Harper*, 60 F.3d 518, 520 (8th Cir. 1995) (quotation omitted). Viewed with that caution, Radford's motion doesn't show that irreparable harm is likely without a preliminary injunction. It is therefore denied. *No* 35.

So Ordered.
